

ASEAN ENGINEERING REGISTER (AER) – Notes for application

The ASEAN Federation of Engineering Organisations (AFEO) Governing Board at its meeting in Vientiane, Lao PDR in June 2011, have agreed to expand the ASEAN **Engineers** Register (AER) into the ASEAN **Engineering** Register (AER) to include the registration of the entire engineering team comprising the Engineers, Engineering Technologists, Technicians and related Associates.

Objectives of the AER

- i. To facilitate the mobility and professional practice of Engineers, Engineering Technologists, Technicians and related Associates within the ASEAN ambit by establishing a framework of mutual recognition of qualifications amongst the ASEAN member countries whereby AER registered Engineers, Engineering Technologists, Technicians and related Associates who wish to take up employment, do business and/or practice outside their home country may carry with them an approved and recognized professional/semiprofessional qualification;
- ii. To safeguard and promote the professional interests of Engineers, Engineering Technologists, Technicians and related Associates;
- iii. To establish a database of the capability profiles of AER registered Engineers, Engineering Technologists, Technicians and related Associates in order that prospective employers from member countries may engage their services.
- iv. To uphold the quality and standing of AER registered Engineers, Engineering Technologists, Technicians and related Associates by facilitating and implementing continuous improvement through the setting, monitoring and reviewing of standards;
- v. To promote cultural and professional links among members of the engineering profession within ASEAN;
- vi. To enhance the wealth creation process of ASEAN countries.

AER Admission Requirements (approved by AFEO Governing Board June 2011)

The minimum requirements for an applicant to be admitted into the AER are as stated below:

(A) ASEAN ENGINEER (AE)

(B) ASEAN ENGINEERING TECHNOLOGIST (AET)

- i. MUST possess an Engineering/Engineering Technologist degree recognized by the home country;
- ii. MUST be a full member of the Engineering or Technological Association and licensed to practice in the home country; and
- iii. MUST have a minimum of seven (7) years post-graduate working experience in an engineering environment, of which a minimum of two (2) years will be of substantial charge.

(C) ASEAN TECHNICIAN (AT)

- i. MUST possess an Engineering Technologist diploma recognized by the home country. Such diploma programs must be able to meet the requirements of the Dublin Accord or equivalent;
- ii. MUST be a full member of the Engineering or Technological Association and licensed to work in home country;
- iii. MUST have a minimum of seven (7) years post-qualification working experience in an engineering environment, of which a minimum two (2) years will be of substantial charge; or
- iv. For candidate with a certificate in Engineering, the minimum post-qualification working experience is 10 years for which two (2) years are in substantial charge.

(D) ASSOCIATE ASEAN ENGINEER (AAE)

(E) ASSOCIATE ASEAN ENGINEERING TECHNOLOGIST (AAET)

(F) ASSOCIATE ASEAN TECHNICIAN (AAT)

MUST be a full time Graduate Member of the Engineering or Technical Association

ASEAN ENGINEERING REGISTER (AER) – *Notes for application*

AER Application Procedure

Kindly complete the application form overleaf, and submit it together with 2 copies of a recent passport photograph (n.r.) with your name written at the back of the photographs, along with the required remittance for the Entrance Fee & Subscription Fee to your respective Home Engineering Organisation or Technical Association. On successful registration with the AER, you will then be provided with a username and password to update your personal particulars, experience and capability profile in your database. This database will be open to 'searches' on the world wide web.

One Time Registration fees

(A) ASEAN Engineer (AE); and

(B) ASEAN Engineering Technologist (AET)

- (i) USD 200 for applicants from Brunei, Malaysia, Indonesia, Philippines, Singapore and Thailand
- (ii) USD 100 for applicants from Cambodia, Laos, Myanmar and Vietnam

(C) ASEAN Technician (AT)

- (i) USD 150 for applicants from Brunei, Malaysia, Indonesia, Philippines, Singapore and Thailand
- (ii) USD 75 for applicants from Cambodia, Laos, Myanmar and Vietnam

(D) Associate ASEAN Engineer (AAE);

(E) Associate ASEAN Engineering Technologist (AAET); and

(F) Associate ASEAN Technician (AAT)

USD 20

Payment

Payment should be made to the Applicant's Home Engineering Organisation or Technical Association.
