

# Advanced Diploma in Civil Engineering Program

## YEAR (2) SEMESTER (1)

CE103-Surveying-----English Myanmar Explanation Powerpoints  
CE105-Hydraulics-----Myanmar Version  
CE106 Hydrology-----Myanmar Version  
CE 305 Hydrology

CE111A-Road+Bridges----- --English Myanmar Explanation Powerpoints  
CE 311 Traffic Engineering

## YEAR (2) SEMESTER (2)

CE112-Engg Mechanics-----English with study support audio files  
CE 304 Engineering Mechanic & Strength of Materials

CE113 Structure 1----- English with study support audio files  
CE114 Structure 2----- English with study support audio files  
CE 308 Theory of Structure

CE115 Estimating & Specification----- English with study support audio files  
CE 303 Estimating

Then proceed to BE (Civil+ Building Service) Program with building service electrical & mechanical subjects)

## INTERNATIONAL MATCHING SECTION

CE 301 Timber Engineering

CE 302 Building Construction (2)  
CE 306 Energy Efficient Building Design

CE 307 Drawing (2)

CE 309 Water Supply & Sanitation (2)  
CE 310 Project Management
