Dear Mr Nay Myo Zin,

St Clements University awards the Doctor of Humanities to the people who have performed the extraordinary achievements in humanities works in helping the poor and the community.

We are impressed on the record of your sacrifices in human rights and democracy for the people of Myanmar throughout your life which are voluntarily organized & submitted by Dr Kyaw Naing who is one of our International Academic Councillor to us

We strongly believe that your scarifies which are associated with your beliefs, knowledge , concept of philosophy in humanities, capability in critical reflection, critical review and critical thinking on humanities and your demonstrated leadership in struggles for human right and humanities for Myanmar are much more worth than doctoral degree in humanities in an academic term.

We understand that you have sacrificed for the people of Myanmar without expecting any award for yourself. But our St Clements Education Group, St Clements University & St Clements Institute Cambodia would like to offer to award our Honorary Doctor of Humanities on you to show our solidity with the people of Myanmar at this critical time of your people are trying hard to achieve the freedom, democracy and education reform in Myanmar.
