

TradeSET Report

Name:	Lwin Maung
TradeSET Number:	TS254344
My Trade:	Vehicle Painter
Specialisation:	Vehicle Painter

About TradeSET

TradeSET is a free service provided by Trades Recognition Australia (TRA) to help you understand how trade occupations operate in Australia and is part of the process for applicants applying for the:

1. 457 Skills Assessment Program (eligible applicants seeking skills assessments for temporary migration or to facilitate access to occupational licensing)
2. Offshore Skills Assessment Program (eligible applicants seeking skills assessments for permanent migration)
3. The Trades Recognition Service (eligible applicants seeking skills assessments for employment purposes or to facilitate access to occupational licensing); or
4. TradeSET may also be used as a guide for [Job Ready Program](#) participants

Your TradeSET report will also show any additional training you may require to work in Australia.

Skills assessments for the 457 Skills Assessment Program, the Offshore Skills Assessment Program and the Trades Recognition Service (TRS) are conducted by registered training organisations (RTOs) approved by TRA. Please read the relevant [457 Skills Assessment Program Applicant Guidelines](#), [Offshore Skills Assessment Program Applicant Guidelines](#) or [Trades Recognition Service Guidelines](#) for information, including eligibility requirements and how to locate a TRA-approved RTO.

Your TradeSET report must be given to the TRA-approved RTO conducting your skills assessment.

Important Notes:

The TradeSET report is not a formal skills assessment or a qualification. Persons applying for skilled migration are required to meet all requirements of the Department of Immigration and Border Protection (DIBP). This includes English language requirements and any other requirements as directed by DIBP. Further information about migration requirements can be found at <http://www.border.gov.au/>.

TradeSET Report

Name:	Lwin Maung
TradeSET Number:	TS254344
My Trade:	Vehicle Painter
Specialisation:	Vehicle Painter

Details	
Gender:	Male
Date of Birth:	08/08/1988
City:	Myeik
Passport Number:	8889765
Country where I live:	Burma (Myanmar)
Country of passport issue:	Burma (Myanmar)
Country of Training:	Burma (Myanmar)
Skills Assessment Program:	457 or Offshore Skills Assessment Program
Finalisation Date:	25/09/2015

Specialisation:	Vehicle Painter

Skills Report

Mandatory Skills	Skilled
Apply safe working practices and be able to maintain a safe workplace.	Yes
Use practices that help protect the environment when working on vehicles.	Yes
Use environmental rules for the best practices in the workplace.	Yes
Use practices that help protect the environment when fixing vehicle bodies.	Yes

Elective Skills	Skilled
Remove and replace mechanical parts.	Yes
Measure, mark out, cut, make up and install parts.	Yes
Carry out small panel repairs.	Yes
Carry out pre repair work such as cleaning and dismantling.	Yes
Remove, replace and realign bolt-on panels, sections and fittings.	Yes
Remove, replace or fit protector mouldings and transfers decals.	Yes
Apply legal rules and processes for vehicle dismantlers.	Yes
Apply paint removal methods.	Yes
Use many different methods to apply acrylic lacquer to refinish materials.	Yes
Carry out masking tasks.	Yes
Prepare spray painting materials gear such as spray guns and equipment.	Yes
Recognise colour match paints by means of colour mix test card.	Yes
Apply rust prevention and sound deadening materials.	Yes
Make vehicle parts ready for paint repairs.	Yes
Use different methods to touch-up paint jobs.	Yes
Carry out sewing repairs and alterations.	Yes
Carry out trim repairs and make changes.	Yes
Carry out trimming of vehicle components by cutting, sewing, gluing, riveting and stapling.	Yes
Clean and finish plastic trim and fittings.	Yes
Clean and finish vehicle interior trim and seats.	Yes
Clean and polish paint on the outside of a vehicle.	Yes
Set up sunroofs in vehicles.	Yes
Carry out wood working tasks for fabrication.	Yes

Elective Skills	Skilled
Make parts for use in vehicle bodies using materials such as fibreglass, carbon fibre and Kevlar.	Yes
Carry out metal panel beating and panel split repairs to body panels.	Yes
Carry out metal finishing repairs to body panels.	Yes
Carry out body filler work to repair body panels.	Yes
Carry out repairs on thermoplastic panels and parts.	Yes
Carry out a replacement of major welded panels.	Yes
Repair body parts using lead wiping.	Yes
Check if a vehicle body is not aligned correctly and fix it.	Yes
Carry out major sectional repair.	Yes
Install seals on vehicle body parts.	Yes
Repair and line up motorcycle frames.	Yes
Inspect damaged vehicle for transfer from crash site, assess clean up and cost of transfer.	Yes
Recover vehicles that may be damaged or broken down.	Yes
Prepare spray booths and paint drying equipment.	Yes
Apply solid acrylic enamel refinishing products (two part system) to a range of vehicle surfaces.	Yes
Apply clear over base refinishing materials to a range of vehicle surfaces using a spray gun.	Yes
Apply refinishing products to a range of vehicle surfaces.	Yes
Apply clear over base multi layer /pearl refinishing matter to a range of vehicle surfaces by spray gun method.	Yes
Apply water based refinishing products to a range of vehicle surfaces.	Yes
Get surfaces ready for refinishing by using abrasive blasting, sanding, spraying or rolling.	Yes
Apply multi layer or clear over base colour matching methods to a range of vehicle surfaces.	Yes
Apply solid colour matching techniques to a range of vehicle surfaces.	Yes
Carry out paint rectification and touch up work for multi layer/pearl (two component system).	Yes
Prepare and paint plastic components.	Yes
Carry out denibbing, buffing and polishing.	Yes
Remove and replace vehicle head lining.	Yes
Carry out sewing tasks.	Yes
Measure, mark out, cut, make up and install loose fitted covers.	Yes
Measure, mark out, cut, make up and install marine covers.	Yes
Measure, mark out, cut, make up and install frame structures.	Yes
Measure, mark out, cut, make up and install floor coverings.	Yes
Measure, mark out, cut, make up and install hoods (soft tops).	Yes
Measure, mark out, cut, make up and install canopies and curtains.	Yes
Measure, mark, cut out and process flat laminated glass for installation into vehicles /gear.	Yes
Remove and install fixed body glass.	Yes

Elective Skills	Skilled
Remove and install movable body glass by using methods such as bolting and rubber gluing.	Yes
Set up side windows in vehicles, trailers, outdoor or boating gear.	Yes
Remove and install rubber and urethane glazed windscreens in trucks, buses and coaches.	Yes
Fix or touch up solid paint material faults (two component system).	Yes
Carry out paint rectification and touch up work for clear over base (two component system).	Yes
Measure, mark out, cut, make up and install canvas products.	Yes
Remove and install large vehicle windscreens in e.g. large mining or agricultural vehicles.	Yes

Skills Assessment Plan

Australian Qualification

Code:	AUR30805
Name:	Automotive Vehicle Body

My Skills and Evidence

Mandatory Skills	Tasks
<p>Work: Apply safe working practices and be able to maintain a safe workplace.</p> <p>Unit of Competency Code: AURC270103A</p> <p>Unit Title: Apply safe working practices</p>	<ul style="list-style-type: none"> - Apply basic safety procedures - Apply emergency procedures
<p>Work: Use practices that help protect the environment when working on vehicles.</p> <p>Unit of Competency Code: AURT271781A</p> <p>Unit Title: Implement and monitor environmental regulations in the automotive mechanical industry</p>	<ul style="list-style-type: none"> - Implement environment regulations - Monitor and avoid hazards to stormwater systems - Monitor and avoid hazards to air quality - Monitor and avoid noise hazards
<p>Work: Use environmental rules for the best practices in the workplace.</p> <p>Unit of Competency Code: AURC272003A</p> <p>Unit Title: Apply environmental regulations and best practice in a workplace or business</p>	<ul style="list-style-type: none"> - Identify environmental regulations - Identify hazards to stormwater - Identify hazards to air quality - Identify noise hazards
<p>Work: Use practices that help protect the environment when fixing vehicle bodies.</p> <p>Unit of Competency Code: AURV371481A</p> <p>Unit Title: Implement and monitor environmental regulations and best practice in the body repair industry</p>	<ul style="list-style-type: none"> - Implement environment regulations - Monitor and avoid hazards to stormwater - Monitor and avoid hazards to air quality - Monitor and avoid noise hazards

Evidence I can provide

Elective Trade Skills	Tasks
<p>Work: Remove and replace mechanical parts. Unit of Competency Code: AURV227064A Unit Title: Remove and replace mechanical units/assemblies</p>	<ul style="list-style-type: none"> - Prepare for work - Remove mechanical units/assemblies - Replace mechanical units/assemblies - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install parts. Unit of Competency Code: AURV224508A Unit Title: Carry out fabrication of components</p>	<ul style="list-style-type: none"> - Prepare for work - Perform basic fabrication - Monitor fabrication process and outputs - Clean up work area and Maintain equipment
<p>Work: Carry out small panel repairs. Unit of Competency Code: AURV225908A Unit Title: Carry out panel repairs</p>	<ul style="list-style-type: none"> - Prepare for work - Carry out panel repairs - Carry out repairs using body fillers - Clean up work area and Maintain equipment
<p>Work: Carry out pre repair work such as cleaning and dismantling. Unit of Competency Code: AURV226108A Unit Title: Carry out pre-repair operations (vehicle body)</p>	<ul style="list-style-type: none"> - Prepare for work - Clean components prior to repairs and/or storage - Remove, tag and store components - Clean up work area and maintain equipment
<p>Work: Remove, replace and realign bolt-on panels, sections and fittings. Unit of Competency Code: AURV226864A Unit Title: Remove, replace and realign bolt-on panels, sections and fittings</p>	<ul style="list-style-type: none"> - Prepare for work - Remove bolt-on body panels, panel sections and ancillary fittings - Replace and realign bolt-on body panels, panel sections and ancillary fittings - Clean up work area and maintain equipment
<p>Work: Remove, replace or fit protector mouldings and transfers decals. Unit of Competency Code: AURV226965A Unit Title: Remove and replace/fit protector mouldings, transfers and decals</p>	<ul style="list-style-type: none"> - Prepare for work - Remove protector mouldings, transfers and decals - Prepare for replacement/fitting of protector mouldings, transfers and decals - Replace/fit protector mouldings, transfers and decals - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Apply legal rules and processes for vehicle dismantlers.</p> <p>Unit of Competency Code: AURV228603A</p> <p>Unit Title: Apply legal requirements for vehicle dismantlers</p>	<ul style="list-style-type: none"> - Prepare for work - Apply legal requirements for vehicle dismantlers - Clean up work area and maintain equipment
<p>Work: Apply paint removal methods.</p> <p>Unit of Competency Code: AURV229503A</p> <p>Unit Title: Apply paint removal methods</p>	<ul style="list-style-type: none"> - Prepare for work - Determine paint removal procedure - Remove paint - Clean up work area and maintain equipment
<p>Work: Use many different methods to apply acrylic lacquer to refinish materials.</p> <p>Unit of Competency Code: AURV229603AA</p> <p>Unit Title: Apply acrylic lacquer refinishing materials</p>	<ul style="list-style-type: none"> - Prepare for work - Identify paint faults and determine causes - Apply acrylic lacquer refinishing materials - Clean up work area and maintain equipment
<p>Work: Carry out masking tasks.</p> <p>Unit of Competency Code: AURV229608A</p> <p>Unit Title: Carry out masking procedures</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare vehicle body surfaces by masking - Clean up work area and maintain equipment
<p>Work: Prepare spray painting materials gear such as spray guns and equipment.</p> <p>Unit of Competency Code: AURV229749A</p> <p>Unit Title: Prepare spray painting materials and equipment</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare paint for spray gun(s) - Prepare spray gun(s) for spraying - Clean up work area and maintain equipment
<p>Work: Recognise colour match paints by means of colour mix test card.</p> <p>Unit of Competency Code: AURV229803AA</p> <p>Unit Title: Apply fundamental colour matching techniques</p>	<ul style="list-style-type: none"> - Prepare for work - Mix paint colours - Prepare colour test card and perform visual matching test - Clean up work area and maintain equipment
<p>Work: Apply rust prevention and sound deadening materials.</p> <p>Unit of Competency Code: AURV230203A</p> <p>Unit Title: Apply rust prevention and sound deadening materials</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare surfaces for rust prevention and sound deadening materials - Apply special treatments and/or materials - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Make vehicle parts ready for paint repairs. Unit of Competency Code: AURV230349A Unit Title: Prepare vehicle components for paint repairs</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare vehicle surfaces for painting - Clean up work area and maintain equipment - Clean up work area and maintain equipment - Prepare primed surface for refinishing
<p>Work: Use different methods to touch-up paint jobs. Unit of Competency Code: AURV230449A Unit Title: Apply paint touch-up techniques</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare equipment - Prepare and apply materials - Clean up work area and maintain equipment
<p>Work: Carry out sewing repairs and alterations. Unit of Competency Code: AURV230608A Unit Title: Carry out sewing repairs and alterations</p>	<ul style="list-style-type: none"> - Prepare for work - Carry out hand and machine sewing procedures - Carry out sewing machine maintenance procedures - Clean up work area and Maintain equipment
<p>Work: Carry out trim repairs and make changes. Unit of Competency Code: AURV230708A Unit Title: Carry out trim repairs and alterations</p>	<ul style="list-style-type: none"> - Prepare for work - Match material - Measure and cut material - Fabricate trim/covers to suit vehicle components - Attach material cover to vehicle/component - Clean up work area and maintain equipment
<p>Work: Carry out trimming of vehicle components by cutting, sewing, gluing, riveting and stapling. Unit of Competency Code: AURV231208A Unit Title: Carry out trimming of vehicle components</p>	<ul style="list-style-type: none"> - Prepare for work - Match material - Measure and cut material - Fabricate trim/covers to suit vehicle/components - Attach material cover to vehicle/component - Clean up work area and maintain equipment
<p>Work: Clean and finish plastic trim and fittings. Unit of Competency Code: AURV231809AA Unit Title: Clean and finish plastic trim and fittings</p>	<ul style="list-style-type: none"> - Prepare for work - Clean vehicle internal and external plastic trim and fittings - Finish vehicle internal and external plastic trim and fittings - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Clean and finish vehicle interior trim and seats. Unit of Competency Code: AURV231809BA Unit Title: Clean and finish vehicle interior trim and seats</p>	<ul style="list-style-type: none"> - Prepare for work - Clean vehicle interior trim and seats - Finish vehicle interior trim and seats - Clean up work area and maintain equipment
<p>Work: Clean and polish paint on the outside of a vehicle. Unit of Competency Code: AURV231809CA Unit Title: Clean and polish vehicle exterior paint</p>	<ul style="list-style-type: none"> - Prepare for work - Clean vehicle body exterior paint - Polish vehicle body exterior paint - Clean up work area and maintain equipment
<p>Work: Set up sunroofs in vehicles. Unit of Competency Code: AURV324431A Unit Title: Install vehicle sunroofs</p>	<ul style="list-style-type: none"> - Prepare for work - Measure, mark out and fabricate template - Mark out, cut panels/trim and prepare cut edges - Install sunroof - Clean up work area and maintain equipment
<p>Work: Carry out wood working tasks for fabrication. Unit of Competency Code: AURV324708A Unit Title: Carry out wood working operations for fabrication</p>	<ul style="list-style-type: none"> - Prepare for work - Fabricate wood components and parts - Clean up work area and maintain equipment
<p>Work: Make parts for use in vehicle bodies using materials such as fibreglass, carbon fibre and Kevlar. Unit of Competency Code: AURV324823A Unit Title: Fabricate composite material components</p>	<ul style="list-style-type: none"> - Prepare for work - Fabricate item/component to determined requirements - Clean up work area and maintain equipment
<p>Work: Carry out metal panel beating and panel split repairs to body panels. Unit of Competency Code: AURV326266AA Unit Title: Repair body panels (beating and split repair)</p>	<ul style="list-style-type: none"> - Clean up work area and maintain equipment - Carry out metal panel split repairs - Carry out metal heat shrinking operations - Prepare for work - Carry out metal panel beating repairs
<p>Work: Carry out metal finishing repairs to body panels. Unit of Competency Code: AURV326266BA Unit Title: Repair body panels (metal finishing)</p>	<ul style="list-style-type: none"> - Prepare for work - Carry out metal finishing - Carry out heat shrinking operations - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Carry out body filler work to repair body panels. Unit of Competency Code: AURV326266CA Unit Title: Repair body panels (incorporating filler)</p>	<ul style="list-style-type: none"> - Prepare for work - Carry out repairs using body fillers - Clean up work area and maintain equipment
<p>Work: Carry out repairs on thermoplastic panels and parts. Unit of Competency Code: AURV326266DA Unit Title: Repair body panels/components (thermoplastic)</p>	<ul style="list-style-type: none"> - Prepare for work - Repair plastic panel/component - Clean up work area and maintain equipment
<p>Work: Carry out a replacement of major welded panels. Unit of Competency Code: AURV326367B Unit Title: Replace major welded panels</p>	<ul style="list-style-type: none"> - Prepare for work - Remove welded panels/panel sections - Replace and align welded panel/panel sections - Clean up work area and maintain equipment
<p>Work: Repair body parts using lead wiping. Unit of Competency Code: AURV326466A Unit Title: Repair body components using lead wiping</p>	<ul style="list-style-type: none"> - Prepare for work - Reinstate body components by lead wiping - Clean up work area and maintain equipment
<p>Work: Check if a vehicle body is not aligned correctly and fix it. Unit of Competency Code: AURV326508A Unit Title: Repair vehicle body misalignment</p>	<ul style="list-style-type: none"> - Prepare for work - Perform vehicle measuring - Rectify body and underframe misalignment - Clean up work area and maintain equipment
<p>Work: Carry out major sectional repair. Unit of Competency Code: AURV326708A Unit Title: Carry out major sectional repair</p>	<ul style="list-style-type: none"> - Prepare for work - Perform major sectional repairs - Clean up work area and
<p>Work: Install seals on vehicle body parts. Unit of Competency Code: AURV327231A Unit Title: Install vehicle body component seals</p>	<ul style="list-style-type: none"> - Prepare for work - Inspect and test vehicle body component seals for leaks - Install, repair and/or replace vehicle body component seals - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Repair and line up motorcycle frames. Unit of Competency Code: AURV328166A Unit Title: Repair and align motorcycle frames</p>	<ul style="list-style-type: none"> - Prepare to undertake frame alignment and repair - Inspect and measure to determine repair requirements - Replace and repair frame components - Align frame and components - Prepare frame for delivery to customer and/or storage
<p>Work: Inspect damaged vehicle for transfer from crash site, assess clean up and cost of transfer. Unit of Competency Code: AURV328916A Unit Title: Determine vehicle rescue method and ascertain cost</p>	<ul style="list-style-type: none"> - Prepare for work - Survey accident scene and decide vehicle rescue method - Prepare rescue cost details
<p>Work: Recover vehicles that may be damaged or broken down. Unit of Competency Code: AURV328961A Unit Title: Recover vehicle</p>	<ul style="list-style-type: none"> - Prepare for work - Ascertain type of recovery - Prepare vehicle to be recovered for tow/lift - Prepare recovery vehicle for tow/lift - Operate recovery vehicle - Clean up recovery worksite - Clean up work vehicle and maintain equipment
<p>Work: Prepare spray booths and paint drying equipment. Unit of Competency Code: AURV329549A Unit Title: Prepare spray booths and paint drying equipment</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare spray booth and drying equipment - Clean up work area and maintain equipment
<p>Work: Apply solid acrylic enamel refinishing products (two part system) to a range of vehicle surfaces. Unit of Competency Code: AURV329603BA Unit Title: Apply solid acrylic enamel refinishing materials (two component system)</p>	<ul style="list-style-type: none"> - Prepare for work - Apply solid acrylic enamel refinishing materials by spray gun - Identify paint faults, causes and rectification procedures - Rectify and touch up paint faults of solid (two component system) paint materials - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Apply clear over base refinishing materials to a range of vehicle surfaces using a spray gun. Unit of Competency Code: AURV329603CA Unit Title: Apply clear over base refinishing materials (two component system)</p>	<ul style="list-style-type: none"> - Prepare for work - Apply clear over base refinishing materials by spray gun - Rectify paint faults - Rectify and touch up paint faults of clear over base refinishing materials - Clean up work area and maintain equipment
<p>Work: Apply refinishing products to a range of vehicle surfaces. Unit of Competency Code: AURV329603DA Unit Title: Apply air dry and polyurethane enamel refinishing materials</p>	<ul style="list-style-type: none"> - Prepare for work - Identify paint faults, causes and rectification procedures - Apply air dry and polyurethane enamel refinishing materials by spray gun - Clean up work area and maintain equipment
<p>Work: Apply clear over base multi layer /pearl refinishing matter to a range of vehicle surfaces by spray gun method. Unit of Competency Code: AURV329603EA Unit Title: Apply clear over base multi layer/pearl refinishing materials</p>	<ul style="list-style-type: none"> - Prepare for work - Apply clear over base multi layer/pearl refinishing materials by spray gun - Identify paint faults, causes and rectification procedures - Rectify and touch up paint faults of clear over base multi layer/pearl refinishing materials - Clean up work area and maintain equipment
<p>Work: Apply water based refinishing products to a range of vehicle surfaces. Unit of Competency Code: AURV329603FA Unit Title: Apply water based refinishing materials</p>	<ul style="list-style-type: none"> - Prepare for work - Apply water based refinishing materials by spray gun - Identify paint faults, causes and rectification procedures - Rectify and touch up paint faults - Clean up work area and maintain equipment
<p>Work: Get surfaces ready for refinishing by using abrasive blasting, sanding, spraying or rolling. Unit of Competency Code: AURV329649A Unit Title: Prepare substrate for refinishing</p>	<ul style="list-style-type: none"> - Prepare for work - Remove surface rust and scale and prepare body surfaces for application of primers - Apply primers and/or sealers - Prepare primed/sealed surface for refinishing - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Apply multi layer or clear over base colour matching methods to a range of vehicle surfaces. Unit of Competency Code: AURV329803BA Unit Title: Apply multi layer/clear over base colour matching techniques</p>	<ul style="list-style-type: none"> - Prepare for work - Mix multi layer/clear over base paint colours - Prepare colour test card and perform visual matching test - Clean up work area and maintain equipment
<p>Work: Apply solid colour matching techniques to a range of vehicle surfaces. Unit of Competency Code: AURV329803CA Unit Title: Apply solid colour matching techniques</p>	<ul style="list-style-type: none"> - Prepare for work - Mix solid paint colours - Prepare colour test card and perform visual matching test - Clean up work area and maintain equipment
<p>Work: Carry out paint rectification and touch up work for multi layer/pearl (two component system). Unit of Competency Code: AURV329903CA Unit Title: Carry out paint rectification and touch up work for multi layer/pearl (two component system)</p>	<ul style="list-style-type: none"> - Prepare for work - Determine paint fault cause and rectification requirements for multi layer/pearl (two component system) paint materials - Rectify and touch up paint faults of multi layer/pearl (two component system) paint materials - Clean up work area and maintain equipment
<p>Work: Prepare and paint plastic components. Unit of Competency Code: AURV330149A Unit Title: Prepare and paint plastic components</p>	<ul style="list-style-type: none"> - Prepare for work - Prepare plastic surfaces for refinishing - Apply refinishing materials to plastic surfaces - Clean up work area and maintain equipment
<p>Work: Carry out denibbing, buffing and polishing. Unit of Competency Code: AURV330508A Unit Title: Carry out denibbing, buffing and polishing</p>	<ul style="list-style-type: none"> - Prepare for work - Denib work - Buff work - Polish work - Clean up work area and maintain equipment
<p>Work: Remove and replace vehicle head lining. Unit of Competency Code: AURV330964A Unit Title: Remove and replace vehicle head lining</p>	<ul style="list-style-type: none"> - Clean up work area and maintain equipment - Replace vehicle head lining - Remove vehicle head lining - Prepare for work

Elective Trade Skills	Tasks
<p>Work: Carry out sewing tasks. Unit of Competency Code: AURV331108A Unit Title: Carry out sewing operations</p>	<ul style="list-style-type: none"> - Prepare for work - Carry out hand sewing procedures - Carry out machine sewing procedures - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install loose fitted covers. Unit of Competency Code: AURV331423AA Unit Title: Fabricate and install loose and fitted covers</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure, mark out and cut loose and fitted covers - Make up/assemble loose and fitted covers - Install and fasten loose and fitted covers - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install marine covers. Unit of Competency Code: AURV331423BA Unit Title: Fabricate and install marine covers</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure, mark out and cut marine covers - Make up/assemble marine covers - Install and fasten marine coverings - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install frame structures. Unit of Competency Code: AURV331423DA Unit Title: Fabricate and install frame structures</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure job and determine frame requirements - Select frame materials and attachments/joiners - Cut materials, fit frame attachments/joiners and assemble frame - Fit fabricated frame structure - Install and fasten frame structure - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install floor coverings. Unit of Competency Code: AURV331423EA Unit Title: Fabricate and install floor coverings</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure, mark out and cut floor coverings material - Make up/assemble floor coverings - Install and fasten vehicle floor coverings - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Measure, mark out, cut, make up and install hoods (soft tops). Unit of Competency Code: AURV331423FA Unit Title: Fabricate and install hoods (soft tops)</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure, mark out and cut vehicle hood (soft top) - Make up/assemble vehicle hood (soft top) - Install and fasten vehicle hood (soft top) - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install canopies and curtains. Unit of Competency Code: AURV331423GA Unit Title: Fabricate and install canopies and curtains</p>	<ul style="list-style-type: none"> - Prepare for fabrication work - Measure, mark out and cut canopies and curtains - Make up/assemble canopies and curtains - Install and fasten canopies and curtains - Clean up work area and maintain equipment
<p>Work: Measure, mark, cut out and process flat laminated glass for installation into vehicles /gear. Unit of Competency Code: AURV333215A Unit Title: Cut and process flat laminated glass</p>	<ul style="list-style-type: none"> - Prepare for work - Fabricate templates and patterns - Measure, mark and cut out glass - Process edges of glass - Clean up work area and maintain equipment
<p>Work: Remove and install fixed body glass. Unit of Competency Code: AURV333763A Unit Title: Remove and install fixed body glass</p>	<ul style="list-style-type: none"> - Prepare for work - Remove fixed body glass - Install fixed body glass - Clean up work area and maintain equipment
<p>Work: Remove and install movable body glass by using methods such as bolting and rubber gluing. Unit of Competency Code: AURV333863A Unit Title: Remove and install movable body glass</p>	<ul style="list-style-type: none"> - Prepare for work - Remove movable body glass - Install movable body glass - Clean up work area and maintain equipment
<p>Work: Set up side windows in vehicles, trailers, outdoor or boating gear. Unit of Competency Code: AURV334031A Unit Title: Install side windows</p>	<ul style="list-style-type: none"> - Prepare for work - Measure, mark out and fabricate template - Mark out, cut panels/trim and prepare cut edges - Install window - Clean up work area and maintain equipment

Elective Trade Skills	Tasks
<p>Work: Remove and install rubber and urethane glazed windscreens in trucks, buses and coaches. Unit of Competency Code: AURV334163A Unit Title: Remove and install rubber and urethane (heavy vehicle) glazed windscreens</p>	<ul style="list-style-type: none"> - Prepare for work - Remove rubber/urethane glazed windscreen - Install rubber/urethane glazed windscreen - Clean up work area and maintain equipment
<p>Work: Fix or touch up solid paint material faults (two component system). Unit of Competency Code: AURV329903AA Unit Title: Carry out paint rectification and touch up work for solids (two component system)</p>	<ul style="list-style-type: none"> - Prepare for work - Determine paint fault cause and rectification requirements for solid (two component system) paint materials - Rectify and touch up paint faults of solid (two component system) paint materials - Clean up work area and maintain equipment
<p>Work: Carry out paint rectification and touch up work for clear over base (two component system). Unit of Competency Code: AURV329903BA Unit Title: Carry out paint rectification and touch up work for clear over base (two component system)</p>	<ul style="list-style-type: none"> - Prepare for work - Determine paint fault cause and rectification requirements for clear over base (two component system) paint materials - Rectify and touch up paint faults of clear over base (two component system) paint materials - Clean up work area and maintain equipment
<p>Work: Measure, mark out, cut, make up and install canvas products.
